E.O. 11652: XGDS-1
TAGS: PARM
SUBJECT: DRAFTING GROUP MEETING NO. 212, MAY 5, 1978
(SALT TWO-1721)

REFS: A. SALT TWO-1714
B. SALT TWO-1716

SUMMARY. SIDES PURSUED DISCUSSION OF U.S. HEAVY BOMBER PROPOSALS, WITH U.S. RESPONDING IN DETAIL TO SOVIET QUESTIONS OF APRIL 28. U.S. ALSO TABLED LANGUAGE FOR ARTS. II.3, XI.3, AND FINAL PARAGRAPH OF PROTOCOL, AS PRESENTED IN MAY 3 PLENARY, AND REAFFIRMED ITS POSITION ON ART. V.2. SIDES ALSO EXCHANGED JDT PAGES, INCLUDING AGREED TEXT OF NON-CIRCUMVENTION PROVISION IN ART. XII, AS TABLED IN SAME PLENARY. END SUMMARY.

1. PEREZ RESPONDED TO SIX QUESTIONS POSED BY KARPOV AT APRIL 28 MEETING OF DRAFTING GROUP (REF A). REGARDING WHO WOULD DECIDE ON COOPERATIVE MEASURES, HE NOTED THAT ACTIONS OF THE SIDES WOULD DETERMINE IF SUCH MEASURES WERE APPROPRIATE. SIDES SHOULD UNDERTAKE IN FUTURE TO DESIGN AIR-

PLANES WITH FRODS VERIFIABLE BY NTM. IN ITS OWN INTERESTS, SIDE WOULD BE EXPECTED TO SEEK TO ESTABLISH DISTINCTION BASED ON FRODS BETWEEN THOSE AIRPLANES LIMITED BY SALT AND THOSE WITH SAME BASIC AIRFRAME WHICH ARE NOT. OTHER SIDE CAN ACCEPT SUCH DISTINCTION OR RAISE ISSUE OF SUFFICIENCY. IF SO, FIRST SIDE HAD AT LEAST THREE CHOICES: A) ALTER OBSERVABLE FEATURES TO ENSURE THAT THEY PROVIDE FRODS; B)

OFFER OR UNDERTAKE COOPERATIVE MEASURES CONFIRMING THEY ARE FRODS RATHER THAN MERELY OBSERVABLE DIFFERENCES, AND/OR OFFER OR UNDERTAKE SUCH MEASURES AS WOULD ASSIST IN CONFIRMING CAPABILITY OR LACK OF CAPABILITY OF AIRPLANE IN QUESTION; C) AGREE THAT ALL AIRPLANES OF TYPE IN QUESTION BE COUNTED. KARPOV ASKED FOR CLARIFICATION BETWEEN FRODS AND OBSERVABLE DIFFERENCES NOT FUNCTIONALLY RELATED. PEREZ NOTED THAT FRODS SHOULD INDICATE THAT AIRPLANE IN QUESTION NOT CAPABLE OF MISSION OF HEAVY BOMBER OR LONG-RANGE CRUISE MISSILE CARRIER. LT. COL. JOHNSON ADDED THAT WITH RESPECT TO CRUISE MISSILE CARRIERS, HIGHER TAIL ON ONE AIRCRAFT WOULD NOT BE FROD BUT THAT LARGE OPENING IN SIDE OF ANOTHER AIRPLANE TO PERMIT LAUNCHING CRUISE MISSILES COULD CREATE FRODS. PEREZ CONCLUDED THAT COOPERATIVE MEASURES WERE TO BE VOLUNTARY AND THEIR USE AND EFFICACY WOULD BE DETERMINED ON CASE-BY-CASE BASIS.

2. PEREZ NOTED THAT THERE IS NO SPECIAL RELATIONSHIP BETWEEN IDEA OF COOPERATIVE MEASURES AND BUILDING AIRPLANES FROM SCRATCH AS CMCS. CHOICES WOULD REMAIN AS INDICATED ABOVE.

3. U.S. ENVISAGES CONVERSION AS TAKING EXISTING AIRPLANE, NOT OTHERWISE A HEAVY BOMBER, AND EQUIPPING IT FOR LONG-RANGE CRUISE MISSILES. DURING CONVERSION FRODS WOULD BE CREATED. ANY AIRPLANE, WHETHER IT WAS JUST CONSTRUCTED OR
SECRET

SECRET

PAGE 03 GENEVA 06878 01 OF 02 052006Z

HAD BEEN IN USE, COULD BE CONVERTED. IF AIRPLANE, NOT OTHERWISE SUBJECT TO SALT LIMITATIONS, WERE EQUIPPED FOR CRUISE MISSILES DURING PRODUCTION, IT WOULD BE SAID TO BE NEWLY CONSTRUCTED, NOT CONVERTED. CMCS WHICH DID NOT HAVE AIRFRAME SIMILAR TO AIRPLANES NOT SALT-LIMITED COULD ALSO BE NEWLY CONSTRUCTED. U.S. MAKES NO DISTINCTION BETWEEN CONVERTED AND NEWLY CONSTRUCTED AIRPLANES SINCE FRODS CONCEPT APPLIES TO BOTH. HOWEVER, HE NOTED, SOVIET SIDE DOES MAKE A DISTINCTION IN DISCUSSING CONVERSIONS IN ARTICLE VIII. WHAT DOES SOVIET SIDE MEAN BY "CONVERSION"? KARPOV REPLIED CHARACTERISTICALLY WITH QUESTION AS TO WHY U.S. SAW SPECIAL PROBLEM WITH REGARD TO PARAGRAPH VIII RATHER THAN OTHER PARTS OF JDT. HE AGREED, HOWEVER, TO STUDY QUESTION, AS WELL AS U.S. EXPLANATIONS, AND RETURN TO IT LATER.

4. PEREZ CONTINUED THAT U.S. HAD SAID CMC B-52S WILL BE DISTINGUISHABLE FROM OTHER B-52S, WHICH IS THE RELEVANT DISTINCTION. RE SRAM LAUNCHERS, HE REPEATED THAT LONG-RANGE CRUISE MISSILES CURRENTLY PLANNED FOR DEPLOYMENT ON B-52S WILL NOT FIT ON EXISTING SRAM LAUNCHERS. KARPOV REQUESTED DETAILS OR FEATURES OF SRAM LAUNCHERS ASKING

"CAN WE HAVE A LOOK AT SRAM LAUNCHERS?" HE ADDED THAT U.S. PUBLISHED SOURCES INDICATED THAT SRAM LAUNCHERS WOULD BE VERY GOOD FOR CRUISE MISSILES. PEREZ NOTED THAT WHAT HE HAD SAID REPRESENTED A CHANGE IN U.S. PLANS. KARPOV THEN ASKED WHETHER CHANGE WAS IN MISSILE OR LAUNCHER. U.S. INDICATED IT NOT PREPARED TO REPLY NOW BUT THAT CURRENTLY PLANNED MISSILES WOULD NOT FIT ON EXISTING SRAM LAUNCHERS.

5. IN REPLY TO SOVIET QUESTION AS TO WHETHER AIRPLANE WITH MORE THAN 20 CRUISE MISSILES SHOULD BE COUNTED AS MORE THAN ONE IN AGGREGATE, THE ANSWER WAS "NO." KARPOV COMMENTED THAT THIS WAS VERY SHORT ANSWER. PERHAPS U.S. COULD THINK ABOUT IT A BIT LONGER.

6. U.S. CONSIDERS TUPOLEV ASW (TU-142) AND TUPOLEV (TU-95) TO BE OF SAME TYPE BECAUSE THEY HAVE SAME BASIC AIRFRAME, AND, UNLIKE RE-CONNAISSANCE VERSIONS, THERE IS NOTHING IN OBSERVABLE FEATURES OF ASW MODELS WHICH INDICATE THEY CANNOT PERFORM MISSION OF HEAVY BOMBER. U.S. HAS PROPOSED AS SPECIAL CASE THAT BEAR ASWS NOT BE COUNTED AND DOESN'T UNDERSTAND SOVIET PROBLEM IN THIS REGARD. KARPOV SAID PROBLEM IS WITH PRINCIPLE OF APPROACH. TU-142 ASW AIRPLANES HAVE DIFFERENT DIMENSIONS FOR FUSELAGE AND CHASSIS GONDOLAS THAN TU-95 HEAVY BOMBERS. WHY IS THERE ONE RULE FOR B-52S AND ANOTHER FOR THE TU-142? PEREZ POINTED OUT THAT DIFFERENCES KARPOV HAD CITED WERE INSUFFICIENT TO NEGATE

ABILITY OF BEAR ASW TO PERFORM HEAVY BOMBER FUNCTION. U.S.,
THEREFORE, PROPOSED AN EXCEPTION FOR THIS ASW AIRPLANE AND
FOR B-52S WHICH ARE NOT CMCS. JOHNSON ADDED WITH RESPECT
SECRET

SECRET

PAGE 02 GENEVA 06878 02 OF 02 052005Z

TO THE EXCEPTION FOR B-52S AND BEAR ASW THAT U.S. IS NOT
SAYING OUR AIRPLANES ARE DIFFERENT TYPES AND YOURS ARE NOT.
WE ARE SAYING INSTEAD THAT, FOR PURPOSES OF THE TREATY,
BOTH ARE "CONSIDERED" TO BE DIFFERENT TYPES. BEAR ASWS
WON'T COUNT IN AGGREGATE. IN ADDITION, BEAR RECCE
VERSIONS, WHICH ALSO HAVE SAME BASIC AIRFRAME BUT DO HAVE
FRODS, ARE DIFFERENT TYPES FROM HEAVY BOMBERS BECAUSE OF
THESE FRODS AND THEY WOULD NOT COUNT.

7. IN CONCLUSION, PEREZ TABLED U.S. PROPOSALS PRESENTED
IN MAY 3 PLENARY (ARTS. II.3, XI.3, AND THE FINAL PARA-
GRAPH OF THE PROTOCOL) AND REAFFIRMED U.S. POSITION ON
ARTICLE V.2 (REF B). ON LATTER POINT, KARPOV SAID HE
UNDERSTOOD U.S. POSITION BUT THEY HAVE DIFFERENT POINT OF
VIEW. SIDES ALSO EXCHANGED JDT PAGES 37 (AGREED TEXT OF
ARTICLE XII ON NON-CIRCUMVENTION) AND 21 (ON WHICH
ACHIEVEMENT IN SUBGROUP ON MAY 4 OF NEWLY AGREED REVISED
VERSION OF PARAGRAPH 4 OF ARTICLE IV AND COMMON UNDER-
STANDING THERETO IS SHOWN: WORD "INTERNAL" DELETED FROM
WHERE IT PREVIOUSLY APPEARED AS MODIFIER OF WORDS
"DIAMETER" AND "DEPTH").

8. NEXT MEETING SCHEDULED FOR MONDAY, MAY 8. EARLE
